

NATIONAL INSTITUTE OF DISASTER MANAGEMENT  
(Ministry of Home Affairs; Government of India)

*Format for preparation of abridged Report of the Course by the Course Coordinator for uploading in the website of NIDM.*

1. Name of the course: National Programme on “**Knowledge Management for Disaster Risk Reduction and Resilience (KM4DRR&R)**”

2. Duration : **23-27 April 2018**

3. Venue : **YMCA, New Delhi**

4. Objectives :

At the end of the training program, the participants will be able to

- i. To discuss about DM Act 2005, NDM Policy 2009 and NDMP on disaster risk reduction and resilience
- ii. To describe disaster risk profile of the country
- iii. To inform about state initiatives on disaster risk reduction and resilience
- iv. To understand the terms and concepts in knowledge management
- v. To assess knowledge needs and identify the knowledge gaps
- vi. To apply knowledge management for disaster risk reduction & resilience
- vii. To enlist and discuss about various networks and portals related to knowledge management for DRR&R
- viii. To describe application of geo-informatics for disaster risk reduction
- ix. To explore the use of social media and internet for access and dissemination of knowledge related to DRR&R, local resources/skills, and traditional wisdom in landslides management
- x. To demonstrate through an exercise the process of knowledge management
- xi. To integrate development in a multi-hazard perspective with interdisciplinary cross-sectoral partnership approach
- xii. To provide a forum for networking, linkage and coordination among different stakeholders for exchange of ideas, information, knowledge and experiences on disaster risk management
- xiii. To leverage information and communication technologies to enhance good governance and improve connectivity for DRR&R

- xiv. To devise mechanisms for exchange and interaction between knowledge systems in the global arena
  - xv. To strengthen the disaster management system, promote research and innovation, facilitate knowledge application in different sectors
5. Methodology : Lectures, Presentations, Videos, Group Exercise, Panel Discussion and Role Plays
6. Schedule : Copy attached at the end of this report.
7. Participant's profile : The participants included functionaries working with State Disaster Management Authorities (SDMAs), Researchers from Universities /IITs, Revenue and Disaster Management, NDRF, SDRF, Civil Defence, NGOs / CBOs / Civil Society etc.

**List of Participants for the National Level Training Course on“Knowledge Management for Disaster Risk Reduction & Resilience [KM4DRR&R]” from 23 to 27 April 2018, at YMCA, Jai Singh Road, New Delhi – 110001**
