

NIDM Southern Campus, Bapatla, Andhra Pradesh

Training Report

Incident Response System

**Incident Commander, Operation Section Chief and Logistic Section chief
(March 5-16, 2018)**

NIDM Southern Campus, Bapatla, Andhra Pradesh

Incident Commander, Operation Section and Logistic Section Chief

The IRS course are the combination of five courses. To attend the Incident commander, operation section chief and logistic courses, there is a prerequisite that participants must have undergone Basic and planning section Chief courses. Courses were organized from 5-9 March 2018 and 12-16 March 2018. Both the programmes were specialized programme of Incident Response system. The pre-requisite of the attending the said programmes were that participants must have attended before the Basic and planning section chief of the modules.

In all, 32 participants were qualifying to attend the same. No additional participant could have been added which have not had attended the qualifying courses. Initially the programme was designed and date was finalized for NIDM Delhi. But later, the course got shifted to Vijaywada . Only 12 participants out of 32 could come to Bapatla, Southern campus.

In all four resource persons were invited which includes two senior officer from Andhra Pradesh Cadre . Mr. Chiranjivi Chaudhary (Master Trainer, IRS), Principal secretary Rural Development and Mr Govind Singh (Master Trainer, IRS) DIG ,Col V. N. Supnekar (Master Trainer, IRS) Head Disaster Management, Division, YASHDA, Pune and Mr. Madhusudhan Reddy (Master Trainer, IRS) second in command, NDRF. All are trained resource persons and are the Master Trainer of the IRS module. But only Mr Supnekar and Mr Reddy could participate and others could not participate due to budget month.

Some innovations were made in the course and participants were given scenario of temple Kanak Durga . The preparedness and search and rescue was studied which was appreciated by the participants. Field visit was made with the help of APhRD and officials of temple management. Parallel to this programme in the second week 12-16 March a crowd management course of NIDM was also going on. A joint session was organized on the case study on stampede and managing response helped both the groups in understanding the situation and applying experiences and developing strategy for making disaster response effective.

Participants:

Participants from seven states who attended the programmes were from Bihar, Himachal Pradesh, Mizoram, Rajasthan, Tirpura, and Uttarakhand.

Gender Representation: No women participants could participate in the programme. However, there are four women officers have undergone the two pre- requisite courses of IRS.

It's a modular based programme and hence for contents of the course details are in the course schedule given below.
