FIRST SESSION OF NATIONAL PLATFORM FOR

DISASTER RISK REDUCTION

13-14 May 2013, Vigyan Bhawan, New Delhi

BACKGROUND
The Government of India has constituted a multi-stakeholder National Platform on Disaster Risk Reduction (NPDRR). The key functions of the Platform are to:

- To review the progress made in the field of disaster management from time to time.
- To appreciate the extent and manner in which the Disaster Management Policy has been implemented by the Central and State Governments, and other concerned agencies, and to give appropriate advice in the matter.
- To advise on coordination between the Central and State Governments/UT Administrations, local self-governments and civil society organisations for Disaster Risk Reduction.
- To advise suo-moto or on a reference made by the Central Government or any other State Government or a Union Territory Administration on any question pertaining to disaster management.
- To review the National Disaster Management Policy.

PLENARY SESSION
