Raipur : Chhattisgarh Chief Minister Bhupesh Baghel writes to PM, gives various suggestions for formulating strategies for fourth phase of lockdown

Raipur, May 15, 2020

Chief Minister Mr. Baghel has written in the letter that Chhattisgarh has contributed well in the national efforts being made to control Covid-19. Along with controlling the infection, it would be appropriate to suspend public transport services for the time being. In addition to transportation for urgent reasons, it will not be appropriate to be allowed to move. Similarly, transport of persons by air should be for stranded persons only. For labor special trains, new trains should be run only with the consent of the states concerned.

Along with controlling the infection, it would be appropriate to suspend public transport services for the time being. In addition to transportation for urgent reasons, it will not be appropriate to be allowed to move. Similarly, transport of persons by air should be for stranded persons only. For labor special trains, new trains should be run only with the consent of the states concerned.

Giving his views the chief minister said opening inter-state borders at this moment would not be appropriate. Inter-state transport should be allowed for stranded labourers and people of other categories. The information regarding their arrival should be shared with the state so that necessary measure could be taken and permission for pass to allow travel would be given only to the affected people. Transport must be done with permission only for urgent reasons. In addition to the procedure of quarantine followed. Restrictions are non essential inter-state transport facility for labourers should be made mandatory.

It is necessary to restart business and commercial activities with complete precaution. Therefore, it would not be appropriate to open inter-state borders at this moment with a view of caution. For the time being, all categories of shops would be closed except those which are providing essential goods. Precautionary measures should be taken wherever shops would be allowed to open. Only one person from each household would be allowed to open shops for their daily requirements.

The chief minister said construction work in urban areas should be approved with condition of adhering to maintaining social distancing. Permission for pets to allow transportation facility for labourers should be made mandatory.

On demarcation of areas as red, orange and green zones on the basis of corona positive cases, Mr Baghel said that the Centre should set transparent criteria for opening borders between Corona affected states. Also, a large number of workers and other persons are coming to Chhattisgarh from other corona infection affected states. Due to this, there is a possibility of re-infection in Chhattisgarh. Therefore, it would not be appropriate to open inter-state borders. Due to this, there is a possibility of re-infection in Chhattisgarh. Therefore, it would not be appropriate to open inter-state borders.

It would be appropriate to suspend public transport services for the time being.
