Subject: Fwd: OBSTRUCTION OF BANKERS BY FIELD STAFF OF POLICE

State Level Bankers Committee, Himachal Pradesh

We understand that vide your trailing mail, you have issued clear instructions to all Superintendents of Police, District Magistrates including the undersigned, on 04.04.2020.

We wish to bring to your kind notice that again Bankers are facing the same problem and Police staff working in the field is obstructing Bank Officer vehicles while going to their respective Offices/Branches. It is reported that Bankers are asked by the Police to obtain pass if they have to ply the vehicles.

It is a pitiable situation for the Bankers. On the one hand it is essential service and on the other hand they are stopped by the field staff of police. How it is possible to obtain pass for such huge number of employees.

Looking to the problems being faced by the Bankers, we request you to kindly again issue instructions to the Police Authorities not to stop them to drive to their Branches/Offices.
