Madam/Sir,

It has been reported that Rohingya Muslims have attended ijtemas and other religious congregations of Tabligh Jamaat and there is a possibility of their contracting COVID-19. Rohingyas residing in camps in Hyderabad, Telangana had attended Tabligh Jamaat ijtema at Mewat, Haryana and had visited Nizamuddin Markaz at New Delhi. Similarly, Rohingyas living in Shram Visar Shahaen Bagh, Delhi who had gone for TJ activities, have not returned to their camps. Also, presence of Rohingya Muslims after attending Tabligh Jamaat work has also presently been reported from Derabassi, Punjab and Jammu areas of UT of Jammu & Kashmir.

Therefore, Rohingya Muslims and their contacts may need to be screened for COVID-19. Accordingly, necessary measures may be taken in this regard on priority.

Yours sincerely,

SP Chandra
