Childline Doda distributes hygienic kits among children

DATED: APR 12, 2020

In the wake of COVID-19, Childline Doda under the supervision of Director Childline Project Zubair Ahmed has distributed near about 100 hygienic kits among the children of the district till now.

The hygienic kits include face masks, sanitisers, toothpaste, toothbrush, nutritional biscuits which were distributed by the Childline in coordination with the Rural Development Department.

Childline Doda has appealed the general public of the Doda to dial 1098 for any kind of help and due action will be taken on priority basis.
