Jharkhand gets its third Coronavirus patient, a woman tests positive in Bokaro

Bokaro, Apr 5 (UNI) The state has today recorded its third confirmed case of Coronavirus as a woman has tested positive for it.

Bokaro DC Mukesh Kumar confirmed the news.

The woman had come from Bangladesh a few days ago. Three couple from Telo village under Chandrapura Police Station area had returned from Bangladesh.

Keeping their travel history in account the Bokaro district administration had kept them in the quarantine facility at Guru Gobind Singh Engineering College and had sent their samples for testing to Ranchi where one of the woman tested positive.

The woman has been shifted to Bokaro General Hospital.

Earlier a Malaysian Woman in Ranchi and a man in Hazaribagh had tested positive for Coronavirus.
