Ranchi, April 5 (IANS) Jharkhand reported third coronavirus case on Sunday. This is of a woman from the Bokaro district.
She had attended a religious congregation in Dhaka, Bangladesh. She had returned with husband on March 15. She tested Covid-19 positive on Sunday.

Several others from Telo village, under the Chandrapura police station of the Bokaro district administration had visited Bangladesh.

Given their travel history, the Bokaro district administration had kept them in isolation in the Guru Gobind Singh Engineering College camp. Their samples had been sent for testing in Ranchi. Of them, the woman tested positive.

“She has been shifted to the Bokaro General Hospital, a dedicated Covid-19 facilitation centre,” said Bokaro Deputy Commissioner Mukesh Kumar. He also urged people not to panic. The district administration has begun identifying people who must have come in contact.

The second case in Jharkhand is of a Malaysian woman, who had participated in Tabligh Jamaat in Delhi. She had come to Ranchi with 19 foreigners. They were hiding at the Hidpiri locality. The third case is of a person, who had visited Kolkata to attend a religious congregation.

Sanitisation of Varanasi now being done

Garuda drone
New Delhi, Sanitisation in Varanasi is now being done by the Garuda drone which has reduced the risky manual sanitisation of the coronavirus hotspot in Madanpura locality.

The Garuda drone carrying pesticides sanitised heavily populated areas of Madanpura on Sunday. It was monitored from Godowlia by Divisional Commissioner Deepak Agrawal.

“After Madanpura, this sanitization drone will also be used to disinfect hotspots of Bajal Lohta, Nakkhighat and Gangapur,” said Agrawal.
9 more test positive, J&K total at 350

Jammu, April 19 (IANS) Nine more people tested positive on Sunday in J&K taking the number of COVID-19 patients to 350 in the union territory.

Out of these, 51 have completely recovered and five have died. The number of active ca
