GOVERNMENT OF KERALA

Abstract
Disaster Management Department- permission given to District Collector, Kozhikode to engage two programmers on contract basis for a period of one year exclusively for the maintenance & further development of the COVID-19 Jagratha portal-Sanction accorded-Orders issued.

DISASTER MANAGEMENT(A)DEPARTMENT
G.O.(Rt)No.849/2020/DMD Dated, Thiruvananthapuram, 21/10/2020

Read 1 GO(P)No.81/2019/Fin dated 09/07/2019
2. Letter no. DCKKD/4545/F4/2020 dated 09/09/2020 from District Collector, Kozhikode
3. Minutes of the State Executive Meeting of Kerala State Disaster Management Authority held on 08/10/2020

ORDER

As per the letter read as 1st paper above, District Collector, Kozhikode has informed that Covid-19 Jagratha portal is a comprehensive pandemic management solution covering all aspects of a known solution for Covid management from facilitation of safe travel, surveillance of the quarantined people, contact tracing, testing, containment management, management of treatment at Hospitals/FLTC and at home. This portal is now being used across the state as the prime Covid Management portal. Some of the important features areGIS based Containment Zone Declaration and Revocation, Contact Tracing, Test Module, Covid Care Centre and CFLTC, Hospital and Home Isolation management. This Covid 19 Jagratha information and management solution is conceptualized and designed by the District Administration, Kozhikode engaging NIC and IT Mission team. NIC Kozhikode is functioning with skeletal staff and their main constraint is shortage of manpower. At present, two programmers on contract basis are working round the clock on all days to meet the urgent requirements from the whole State. In these circumstances, for the smooth functioning of the portal, service of these two programmers is very much essential. The DC, Kozhikode has therefore requested that as they are running short of fund to meet their monthly wages, it will be good if funds are allotted under SDRF or any other fund for meeting
their consolidated pay @ Rs. 35,000/- each per month for one year as the portal is being used for handling covid19 pandemic and requested to issue necessary orders for engaging these two programmers on contract basis for a period of one year exclusively for the maintenance & further development of the COVID-19 Jagratha portal and to sanction the Rs.70,000/- per month (2x35000) for meeting their remuneration from DDMA fund.

The SEC meeting of KSDMA held on 08/10/2020 agreed to the appointment of the two programmers on contract basis for a period of one year exclusively for the maintenance & further development of the COVID-19 Jagratha portal as it is the primary portal being used by SEOC, the payment of programmers @ Rs. 35,000/month per person.

Government have examined the matter in detail and accord sanction to the District collector, Kozhikode for engaging two programmers on contract basis for a period of one year exclusively for the maintenance & further development of the COVID-19 Jagratha portal as it is the primary portal being used by SEOC, the payment of programmers @ Rs. 35,000/month per person. Government order read as 1st paper read above will be applicable to the contract staff appointed for the maintenance & further development of the COVID-19 Jagratha portal.

(By order of the Governor)
