Smart City Operation Center: A War room

Smart City Command & Control Center is the COVID-19 WAR ROOM:

- Pune Smart City is working on web & mobile based dashboard
- It consists of GIS tracking, heat-mapping technologies & analytics for all the stakeholders of Pune administration
- It helps to keep track of patients, quarantine cases, contact tracing and community surveillance and plan resources including quarantine facilities, isolation beds and associated manpower for responding to the current challenges.
- The COVID-19 response team of Pune administration consisting of Divisional Commissioner, District Collector, Commissioner of Police, Municipal Commissioner, CEO-Smart City, Disaster management, Health officials, IT team of PMC & Pune Police are utilizing the Smart City Command & Control Center facilities as a virtual war-room.

Hon’ble Mayor, Municipal Commissioner & ADMC of PMC & CEO PSCDCL brainstorming
Dr. K. Venkatesham, Commissioner of Police, Pune provided information about the measures taken by the police administration during the lockdown situation.

Dr. Deepak Mhaiskar, Divisional Commissioner said, “The number of Corona positive patients in Pune and Pimpri Chinchwad is increasing. In terms of Corona prevention, citizens need to stay at home and support the administration.”

Mr. Shekhar Gaikwad, Commissioner-Pune Municipal Corporation provided information regarding suspected Corona cases, Corona positive patients, and medical facilities at the hospitals in Pune.

Dr. K. Venkatesham, Commissioner of Police, Pune provided information about the measures taken by the police administration during the lockdown situation.
On behalf of Pune Smart City, an integrated dashboard regarding COVID has been developed and under that, daily updating and mapping of information is being carried out, and Ms. Rubal Agarwal, CEO-Pune Smart City mentioned that it is of great use is in administrative decision-making.
Wi-Fi to aid mental health and coping during isolation

In order to help isolated & quarantine patients fight mental stress and psychological challenges during extended period of isolation, Pune Smart City along with Pune Municipal Corporation has extended its WiFi coverage specifically at these isolation & quarantine centres Naidu Hospital, Sanas Ground & Laigude Center by providing always-on high-speed internet connection. This helps patients stay connected with their loved ones albeit virtually.
Spraying of Disinfectant across City

Pune Fire Brigade is ready to prevent the spread of Corona and fire vehicles have been dispatched to various areas of the city at the for spraying sterile medicine.
Stepping up its preparedness to tackle any likely cases of novel coronavirus in the city, Pune Municipal Corporation (PMC) has readied a **150+ bed isolation ward** at Naidu Hospital and also teamed up with 11 major private hospitals, where 40 beds in general rooms and 19 beds in ICU have been reserved to treat patients.

Providing Shelters for Citizens

PMC has provided shelter to about **1250+ homeless citizens** from various parts of the city through Pune Municipal School, night shelter. Tea, breakfast, meal arrangements are being provided for these citizens with the help of local activists and NGOs.

PMC has opened relief camps **at 15 civic-run schools** to halt the exodus of thousands of migrant workers from the city and provide them with food and shelter.

The schools had been converted into temporary shelter homes to accommodate the workers, with social distancing norms being strictly maintained in these places.
Pune Municipal Corporation has been keeping the vegetable markets at 95 places in the city from today, according to the farmers group, in some open fields and weekly market places.

Also, arrangements have been made for delivery of homemade vegetables according to the order.
PMC decided to conduct the door to door survey, from 16th March 2020, within 1Km circle/area of any newly identified patient.

For this survey, 127 nurses, 90 group mobilisers, 90 Asha Workers, 200 clerks 742 assistant teachers have been appointed.

Total 625 teams have been formed, out of which 439 teams are currently operational.

During this survey, basis questions were asked - regarding corona symptoms, home quarantine precautions, travel history recordings, for categorization of those into high risk and low risk patients etc.

Dear Sir/Madam,

Pune Municipal Corporation would like to appeal to various Civil Societies/NGOs working voluntarily being a part of a worthy cause that has targeted the city due to the outbreak of Novel Coronavirus (COVID-19). PMC is working very hard to extend all possible facilities to fight against COVID-19 during the complete lockdowns throughout March 2020.

We appreciate the volume of help in the rape situation of food, medicines or other daily need items and providing accommodation facilities in towns for stranded and returnee citizens who are not able to reach their native places due to lockdowns.

Pune Municipal Corporation is already geared and working very hard to fight against coronavirus and to deal with the current situation. Understanding the current scenario and our situations in the case of deaths, PMC is planning to make 150 beds in 3 hospitals of Pune with total 50 beds. We would also appreciate your contribution in upgrading existing medical infrastructure available with PMC and making it infrastructural and technologically advanced to help patients in getting effective treatments. The indicative list is attached hereunder for your consideration.

Citizens can contribute towards the campaign. The detailed dates are as follows:

- Date: 4th March
- Time: 10 AM

Rajaram Pradhan

It would be great if we could arrange to be in touch with the Office of the Municipal Commissioner, Pune Municipal Corporation and contact us on 9425529292 (PA to Municipal Commissioner, 02442492000, 02442492003) for further detail.

Your valuable support will be highly appreciated.

Best Regards,

Yours sincerely,

Shekhar Guikwad
