GOVERNMENT OF MANIPUR
COVID-19 COMMON CONTROL ROOM

PRESS RELEASE No. 18
17.04.2020 (6:00 p.m.)

1. The state government is putting all efforts to help people in need. Due to the lockdown many patients could not get prescription drugs. In partial fulfilment of this effort, the newly established “Medicine Help Service” desk has so far, helped 19 (nineteen) individuals whose drugs are not available in their local pharmacies. 16 (sixteen) of them were given names and locations of pharmacies where these drugs are available.

2. A cumulative total of 311 samples including the 8 samples submitted today have been tested, till date only 2 (Two) are COVID-19 positive and 1 (one) of them is already cured. The positivity rate is 0.64 percent. This is an indication that there is no community transmission in the state.
