Glimpses from various towns under South District displaying how seriously District Administration through various departments such as Police, SDM office, Health, IPR, BAC, Municipal councils and Panchayats have made it obligatory for the public to follow the social distancing norms. These departments have been displaying utmost dedication and tenacity in their service towards the people since the start of the lockdown to fight the ongoing COVID crisis. The public have also been extremely cooperative and responsible in this regard by complying to the rules so far.
