The Chief Minister presented a cheque amounting to approximately Rs. 79 lakhs towards the Chief Minister's Relief Fund, to the Chief. He urged the people of Sikkim to visit the quarantine facilities to ensure that adequate facilities are being prepared for non-COVID treatment, care and surgery. He informed that Government Doctors will also work with CRH Manipal to prepare an estimate of the requirement of testing kits for Dialysis.

The Chief Minister announced that the State Government has entered into an agreement with CRH Manipal wherein for the next three months, all DCMs in the State will be evacuated in the coming days through a special train, after approval from the Government.

He added that College and University students who are stranded outside the State will not be allowed to return before 15th of June. He further directed the Education Department to ensure that all the educational institutions in the State are immediately prepared to conduct online examinations. He directed the Education Department to immediately prepare a proposal in this regard.

He congratulated the Health Department for the completion of Dialysis Unit in Geyzing which will start functioning soon. He added that the Dialysis machine in Geyzing is ready and will be operational very soon. This, he said will be a huge relief for the people of Sikkim.

Dr. Bhutia further informed that the Dialysis machine in Geyzing is ready and will be operational very soon. He said that the dedicated team of doctors and medical staff will try their level best to deal with any exigencies.

The Chief Minister reiterated that the commencement of RTPCR testing from tomorrow is a good news for the State. This will ease the load being faced by the Health Department to deal with any exigencies.

The Chief Minister further congratulated the Governing Council of the Sikkim University for the completion of the audit committee.

The Chief Minister also congratulated the Health Department for the completion of Dialysis Unit in Geyzing which will begin functioning soon. The Department is in the midst of evacuating the people who are stranded in Maharashtra and Mumbai, considering the increasing rate of infection there. He appealed to the people to be patient in the meanwhile.

The Chief Minister also shared a few deliberations made by the State Government as per the suggestions of the Economic Revival Committee. He added that the people of Sikkim have been evicted from different parts of the country. He informed that all the people have been evacuated from various parts of the country.

He further stressed that this is the time for the people of Sikkim to be extra cautious and strictly abide by lockdown guidelines as done during the first phase. He added that the people of Sikkim have fully complied with the lockdown guidelines, and the State is fully equipped to deal with any exigencies.

The Chief Minister further congratulated the Health Department for the completion of Dialysis Unit in Geyzing which will begin functioning soon. The Department is in the midst of evacuating the people who are stranded in Maharashtra and Mumbai, considering the increasing rate of infection there.
