As per official information received from DG-cum-Secretary, Health, one more person from Sikkim has tested positive.

Date: 03-Jun-2020

Gangtok, June 03: (IPR) As per official information received from DG-cum-Secretary, Health, one more person from Sikkim has tested positive. The 54-year male was a returnee from New Delhi on 25th May and was placed in the facility quarantine at Mining near Rangpo. It has been reported that he is asymptomatic. His direct contacts living in the same room were immediately tested, and both of them have tested negative for Covid-19. All the other returnees placed in the facility quarantine are being tested.
