Lucknow : 20 April, 2020

Uttar Pradesh Chief Minister Yogi Adityanath Ji today said the lockdown will continue in the districts with more than ten Covid-19 positive cases. "It is necessary to follow all the rules of lockdown and maintenance of social distancing to control Corona virus," he said while addressing a high-level lockdown review meeting at his official residence here today.

The Chief Minister said that the safety cycle has to be maintained. The CM said that all the students who have been brought back from Kota should be kept in 14-day home quarantine. He said the Arogya App should be mandatorily downloaded in the mobile of these students.

The Chief Minister laid emphasis on the protection of police personnel and medical staff saying the police staff should be equipped with gloves, masks and shields while on duty. Similarly, the hospitals should have all the protective measures for medical staff engaged in Corona treatment. He directed that all the government medical colleges should have testing labs. The districts hospital at Divisional Headquarters without medical colleges should also have the testing labs, he further directed.
The emergency services in hospital should start only after ensuring all protection equipments with corona safety training to medical staff, he said. Also, the common man should be trained in the first aid under these conditions through master trainer, he said while instructing to prepare an action plan in this regard.

The CM said that those engaged in door step delivery should also be checked. He said the door step delivery boys should have masks and all. He said that those coming from other places should be tested. The pool testings should be encouraged, he said.

The CM said that the committee which was set up to ensure employment to returnee labourers should convene its meeting today only. The committee should prepare an action plan for exploring the job creation for labourers, particularly in National Livelihood Mission and MNREGA.

He reminded that some industries are allowed to start operations but make it sure that the social distancing and other protective measures are in place. He also asked the Principal Secretary, Rural Development to ensure there is no potable water problem in Bundelkhand region. The CM said the Expressway projects are also going to start with the rider of full safety measures. He also asked the nodal officers for different states to solve problems of the natives of UP at the earliest.
