Chief Minister directs for an action plan for industrial activities after 3rd May, 2020

Additional CMO level officer should be made in charge of training of medical staff

Lucknow : 27 April, 2020

Uttar Pradesh Chief Minister Yogi Adityanath Ji on Monday directed to restore emergency medical services immediately. He said that in the larger interest of the people of the state, it was thought of restoration of emergency medical services. The services, however, should be started only when all the precautionary measures to prevent medical infection are in place, he said.

Addressing a high-level Team 11 review meeting at his official residence, the Chief Minister said that the health and medical education
departments will be required to ensure all precautions in order to guard against any type of medical infection. He said that almost all the private hospitals are covered by Ayushman Bharat Yojana hence these hospitals should have emergency services as well. These private hospitals having emergency services should ensure that all the patients should be screened in view of prevention from Covid-19 infection and also they should have Corona testing facilities, he instructed.

The Chief Minister reiterated that those residing in hotspots areas will not go to their workplace as only medical, sanitation and home delivery staff is permitted in hotspots. He said every house should be sanitised in hotspot areas. He stressed the need to ramp up testing facilities while the emphasis is required to be laid on pool testing.

The Chief Minister said that all the migrant labourers coming from other states should be medically examined before being sent to quarantine compulsorily. He said that trained cadets of NCC should be deployed in quarantine Centres. He was of the strong view that Covid and Non-Covid hospitals should be separate and more and more dedicated Covid hospitals should be made operational. In fact, all the 52 medical colleges should have Covid hospitals and the districts without medical colleges, should have Covid hospitals in the district hospitals. Also, he said the effort should be made to increase number of beds as much as possible.

Stressing the need of training, the Chief Minister said the Covid training of doctors and paramedics is of paramount importance and Additional CMO level officer should be made in charge of training. He also directed to train Secondary and Degree teachers and those connected to basic, technical and vocational education department should also be roped as well as appointing master trainers in every district. The idea behind the training of teachers is that the trained persons will aware the public about Covid in more effective manner. He said more dedicated L-1, L-2, L-3 Covid hospitals should be made with increased number of beds and the adequate arrangement of oxygen. He also directed to ensure adequate number of PPE kits, N-95 masks and other protective equipment, as per Government of India norms, to fight against Covid-19.

The Chief Minister said the tele-consultancy should be stressed more and the number of doctors properly publicised. He said the in order to stop
crowding in banks due to large number of Jan Dhan accounts, the online transactions through Rupay Card and other Apps should be encouraged. A mechanism on the lines of Customer Service Centres should be evolved to facilitate rural services so that Social Distancing could be maintained.

The Chief Minister also directed the officials to prepare an action plan for industrial activities after 3rd May, 2020. The Chief Minister made it clear that an effective implementation of lockdown will have to be ensured. He also directed to start food grain distribution to needy persons from 1st May, 2020 again. He instructed that the Mandis should function in open areas fully maintaining the social distancing. In an important direction, the CM said the arrangements should be made in every district to have 15,000 to 25,000 capacity shelter homes and quarantine centres.

He also instructed to geo-tag shelter homes and quarantine homes while maintaining contact details of quarantines persons besides ensuring regular medical tests of the persons engaged in home delivery. He also expected the officials to maintain regular communication with quarantined persons and arrange proper food and drinking water in quarantine centres.

Those present in the meeting included the Chief Secretary Shri R.K. Tiwari, Agriculture Production Commissioner Shri Alok Sinha, Infrastructure and Industrial Development Commissioner Shri Alok Tandon, Additional Chief Secretary Home and Information Shri Awanish Kumar Awasthi, Additional Chief Secretary Revenue Ms. Renuka Kumar, Director General of Police Shri H.C. Awasthi, Principal Secretary Medical Education Dr. Rajneesh Dube, Principal Secretary Health Shri Amit Mohan Prasad, Principal Secretary MSME Shri Navneet Sehgal, Principal Secretary Rural Development and Panchayati Raj Shri Manoj Kumar Singh, Principal Secretary Food and Civil Supplies Ms. Nivedita Shukla Verma, Principal Secretary Agriculture Shri Devesh Chaturvedi, Principal Secretary Animal Husbandary Shri Bhuvnesh Kumar, Principal Secretary to CM Shri S.P. Goyal and Shri Sanjay Prasad, Secretary to CM Shri Alok Kumar, Director Information Shri Shishir and other senior officers.
