Functionalise all economic activities after carefully studying the lockdown advisory issued by the Government of India : CM

Preventive measures against Covid infection should be in place before industrial activities are started in the state

Explore new opportunities even during the lockdown : CM

Extensive action plan to give new dimension to the investment in Uttar Pradesh post-lockdown

Action plan for providing employment to 15-20 lakh labourers and workers

UP government paid salaries to 16 lakh state employees and pension to 12 lakh on time despite tough conditions

Services of PRD jawans to maintain social distancing in Mandis

Every infection chain to be broken for decisive victory against Corona

Beds capacity in L-1, L-2 and L-3 hospitals to be increased

Nodal officers to be nominated in every district to ensure quarantine protocol of labourers

Effective policing to prevent inter-state and inter-district movement during the lockdown period

Construction work under PM Awas Yojana and CM Awas Yojana to start: it will give work to labourers under MNREGA

Lucknow: 02 May, 2020

Uttar Pradesh Chief Minister Yogi Adityanath Ji has directed state officials to functionalise all economic activities after carefully studying the lockdown advisory issued by the Government of India. Suggesting to explore new opportunities even during the lockdown, he said that all preventive measures against Covid infection should be in place before industrial activities are started in the state.

Addressing a high-level lockdown review meeting at his official residence on Saturday, the Chief Minister was happy that no single case of infection has
come out from sugar mill and brick kiln operations. Other industries should be run while following the same preventive pattern, he said exhorting the officials to make an extensive action plan to give new dimension to the investment in Uttar Pradesh post-lockdown.

He also expected that the other State Governments should be duly informed to start sending migrant labour from their respective states after preparing their data-base and ensuring health examination of labourers. He directed that all the labourers will have to go through medical check up after arriving here. The healthy ones should be sent to 14-day home quarantine after proper screening and the unhealthy labourers should be subjected to treatment by the government.

The Chief Minister said every district should have infra-red thermometer and also nominate a nodal officer to ensure quarantine protocol of the labourers. He also stressed the need of effective policing to prevent inter-state and inter-district movement during the lockdown period.

He said all details including name, address, mobile number and their special skills of the migrants coming from other states should be compiled. It will help giving them job as per their skills, he pointed out. He ordered to speed up action plan for providing employment to 15-20 lakh labourers and workers.

The Chief Minister said that even in such hard time due to global pandemic, the state government has paid salaries to 16 lakh state employees and pension to 12 lakh pensioners on time.

The Chief Minister said that in order to post decisive victory against Corona, there is an urgent need to break every infection chain. He said the Covid and Non-Covid hospitals should be identified in every district. He said that emergency of the hospitals should screen the patients with Corona symptoms as Corona patients should be sent for treatment in Covid hospitals and other patients to Non-Covid hospitals.

Issuing all important guidelines, he said that the Corona-infected patients above 60 year of age and small children should be treated in L-2 and L-3 hospitals. He also directed to increase the beds capacity in L-1, L-2 and L-3 hospitals besides setting up L-3 Covid hospitals at every divisional headquarter. He also asked to ensure that the training of doctors and paramedics should continue while private and Ayush doctors should also be included in training protocol so that their services may be taken when needed.
The Chief Minister said that precaution and alertness could only save the Corona infection hence all preventive norms should be applied in the hospitals to prevent medical infection. He said that hospitals should be supplied with PPE kits, N-95 masks, gloves and sanitiser. Also the list of the doctors with their phone numbers of should be made public for tele-consultation.

He also apprised himself of latest position of quarantine centres, community kitchens and door step delivery system and directed to further strengthen the door step delivery. He asked to augment number of quarantine centres and to ensure proper sanitation and security arrangements in quarantine centres and shelter homes. He emphasised on maintaining the social distancing and prepare hygienic food in community kitchens while deployment of one revenue employee in every quarantine centre.

The Chief Minister directed to take services of PRD jawans to prevent mass gatherings in Mandis to maintain social distancing. He said the Mandis should be sanitised regularly. He said the construction work under PM Awas Yojana and CM Awas Yojana should start as it will give work to labourers under MNREGA. He also directed to join with women Self Help Groups (SHGs) to make masks, pickles, Murabba, Papad etc. he also reiterated that in the event of the death of any destitute person, the last rites will be performed with the money already approved by the administration.

Those present in the meeting included the Medical Education Minister Shri Suresh Khanna, Health Minister Shri Jai Pratap Singh, Health Minister of State Shri Atul Garg, Chief Secretary Shri R.K. Tiwari, Agriculture Production Commissioner Shri Alok Sinha, Infrastructure and Industrial Development Commissioner Shri Alok Tandon, Additional Chief Secretary Home and Information Shri Awanish Kumar Awasthi, Additional Chief Secretary Revenue Ms. Renuka Kumar, Additional Chief Secretary Finance Shri Sanjeev Mittal, Director General of Police Shri H.C.
