Explore all possibilities for revenue generation in the state: CM

Make an extensive action plan for employment generation for migrant labourers/workers: CM

Treatment of Corona could be undertaken after understanding the chemistry of the disease

Intensify training programmes for Women’s Self Help Group (SHGs)

Ayush Kavach-Covid’ App should be publicised widely for more and more downloads

UP government has already distributed food grains to 18 crore beneficiaries in three phases: even many countries do not have such a huge population

Covid recovery rate in UP is 42 per cent which is about 13 per cent more than the national average of 29.2 per cent

Against the target of 52,000 beds capacity in L-1, L-2 and L-3 Covid hospitals, the arrangement of 53,400 beds have already been made

Uttar Pradesh is number one in the country in pool testing of Corona

Senior officers to personally monitor and ensure that the Lockdown is followed as per the existing guidelines

Execute a special drive to control malaria, dengue and other infectious diseases

Link Cow shelter places with the income and make compost manure from dung to be used in the fields

Lucknow: 09 May, 2020

Uttar Pradesh Chief Minister Yogi Adityanath Ji has stressed the need of exploring all possibilities for revenue generation in the state. He said that economic activities have been affected due to Covid-19 and it is of paramount importance to find alternative sources of revenue.
The Chief Minister gave these directions while addressing a high-level Lockdown review meeting at his official residence here today. He asked the officials to make an extensive action plan for providing employment to migrant labourers/workers. He also directed to intensify training programmes for Womens' Self Help Group (SHGs) and train them in making readymade garments and sweaters.

He said that the treatment of Corona could be undertaken after understanding the chemistry of the disease. It is important to enhance the body immunity to be safe. He said that the Mobile App ‘Ayush Kavach-Covid’, launched by the State Government, has Ayurvedic tips which can be very useful in increasing the body immunity. This App should be publicised widely for more and more downloads, he added.

The Chief Minister while expressing satisfaction over the work being performed by various departments, corporations and institutes in the fight against Covid-19 and providing relief to the affected, asked to proceed in the same vein. He said the government has already distributed food grains to 18 crore beneficiaries in three phases which is enormous considering even many countries do not have such a huge population.

The Chief Minister was apprised in the meeting that the Covid recovery rate in the state stood at 42 per cent which is about 13 per cent more than the national average of 29.2 per cent. He was also told that the target of augmenting beds capacity in L-1, L-2 and L-3 Covid hospitals is exceeded as against the target of 52,000 beds in such hospitals, the number of beds has reached 53,400. Also, the state has become number one in the country in pool testing of Corona.

He reiterated that the training for doctors and other health staff should be continued in order to sensitise them about prevention from medical infection. He said the principals and teachers of Degree Colleges and Inter Colleges should also be put to training so that they may create awareness among the people at large. Similarly, the dialogue with Medical Colleges Principals and Deputy CMOs should also be regular.

The Chief Minister said that adequate number of PPE kits and N-95 masks should be ensured in all the districts. He directed that the committee of concerning DM and CMO will permit the emergency services in the private hospitals. This committee will ascertain that all the
precautionary measures have been taken for prevention of medical infection before resuming emergency services.

The Chief Minister said that for hotspot areas, an effective strategy should be implemented. Door step delivery and supply chain mechanism should be strengthened. He said the quarantine centres and shelter homes should have all the facilities while the geo-tagging of quarantine centres should be expedited.

The Chief Minister also directed to screen all the persons who return from abroad and should be sent to medical treatment if required. He directed the senior officers to personally monitor and ensure that the Lockdown is followed as per the existing guidelines.

He also pointed out that summer and rainy season invites many infectious diseases. In view of this, a special drive to control malaria, dengue and other infectious diseases should be executed, he said. The departments of Health, Medical Education, Rural Development, Urban Development, Panchayati Raj, Child Development and Women Development should prepare an integrated action plan in this regard, he further directed.

The Chief Minister also asked to link Cow shelter places with the income and make compost manure from dung to be used in the fields.

Those present in the meeting included the Medical Education Minister Shri Suresh Khanna, Health Minister Shri Jai Pratap Singh, Minister of State for Health Shri Atul Garg, Chief Secretary Shri R.K. Tiwari, Agriculture Production Commissioner Shri Alok Sinha, Infrastructure and Industrial Development Commissioner Shri Alok Tandon, Additional Chief Secretary Home and Information Shri Awanish Kumar Awasthi, Additional Chief Secretary Finance Shri Sanjeev Mittal, Additional Chief Secretary Revenue Ms. Renuka Kumar, Director General of Police Shri Hitesh C. Awasthi, Principal Secretary Health Shri Amit Mohan Prasad, Principal Secretary MSME Shri Navneet Sehgal, Principal Secretary Rural Development and Panchayati Raj Shri Manoj Kumar Singh, Principal Secretary Agriculture Shri Devesh Chaturvedi, Principal Secretary, Animal Husbandary Shri Bhuvnesh Kumar, Principal Secretary to CM Shri S.P. Goyal and Shri Sanjay Prasad, Secretary to CM Shri Alok Kumar, Director Information Shri Shishir and other senior officers.
