Most populated state of the country has shown effective control on Covid-19 spread : CM

Government's endeavour to strengthen the health services and making effective arrangements for the welfare of poor and downtrodden has given some favourable results

Provisions of PM's special economic package should be utilised fully to provide employment in the state

An extensive programme should be prepared to create job opportunities for labourers, offer work to street vendors, and generate employment in MSME and big industries

Conduct a survey about employability in Agriculture and allied areas, MSME and big industries

Doctors should give regular feedback about the health recovery of Covid patients to the attendants

Newly acquired TruNAT machines should be kept functional in all the districts, requirement of TruNAT machines should be assessed to procure more machines

Strengthen surveillance system further for Covid-19 prevention

Quarantine centres in every district should be in the running mode

New testing labs and proposed Covid hospitals in various districts should be commissioned as early as possible

Police to do regular patrolling : implementation of social distancing norms should be taken care of

Lucknow : 09 June, 2020

Uttar Pradesh Chief Minister Yogi Adityanath Ji on Tuesday said that this most populated state of the country has shown effective control on Covid-19 spread. He said it could be made possible due to guidance of the Prime Minister Shri Narendra Modi and good team work in the state. He, however, cautioned against any complacency and said the minor carelessness can be dangerous.

Presiding over the Unlock review meeting at Lok Bhawan here, he said that the government’s endeavour to strengthen the health
services and making effective arrangements for the welfare of poor and downtrodden has given some favourable results. The CM, back from his tour to four divisions-Basti, Gorakhpur, Azamgarh and Varanasi during last two days, said the all round work in the state has been done and the better results are showing.

The CM said that the Lockdown was implemented strictly and the asymptomatic corona patients were kept in the hospitals which helped in the prevention. He said that all precautions have to be taken during the unlock exemptions while ensuring adequate treatment of Corona infected persons.

He claimed that the public has further reposed its faith in the state government owing to pro-active steps towards the welfare of the people during lockdown. By linking the needy persons to the employment, the government has made people realise that the latter is working in their interest. He asserted that the street vendors should be provided sustenance allowance.

The CM said that the provisions of PM’s special economic package should be utilised fully to provide employment in the state. This package has facilitated loaning for street vendors and arranged for the subsidy in case of inability to repay it in time as well as easing the digital payment. He directed that an action plan should be implemented for loaning facilities to saloons and carpenters etc.

He said that the lower level of infection in the state has rendered good opportunity. In view of this, an extensive programme should be prepared to create job opportunities for migrant labour, offer work to street vendors, and generate employment in MSME and big industries.

The CM asked to conduct a survey about employability in Agriculture and allied areas, MSME and big industries. It should be tried to find out that how many persons can be employed in these
sectors for six months or more. A software should also be prepared about details of how many persons were given employment and how many will be employed in the near future.

He said the doctors should give regular feedback about the health recovery of Covid patients to the attendants. He said the doctors and nurses should take regular rounds in the hospitals and take special care of patients who are on oxygen or ventilator support. The ventilators and newly acquired TruNAT machines should be kept functional in all the districts. He said the requirement of TruNAT machines should be assessed to procure more machines. The private hospitals should also be facilitated for purchase of these machines. The CM said that new testing labs and proposed Covid hospitals in every the districts should be commissioned as early as possible.

The CM made it clear that the prevention from the Covid infection is the only treatment of Corona till the effective medicine or vaccine is found. He said keeping in view of the importance of prevention, the surveillance committees have to be strengthened for timely transfer of patients to the hospitals. He said the quarantine centres in every district should be kept in the running mode.

He said that the strong surveillance system has been helpful in keeping down number of deaths due to infectious disease. He said the preventive measures and timely transfer of patients to hospital will bring down the Corona deaths in the state.

The CM asked the police to do regular patrolling. The implementation of social distancing norms should be taken care of. People should wear masks compulsorily and they should be made aware of it that it's violation will invite action. The random checking of the vehicles should also be done.
Those present in the meeting included the Health Minister Shri Jai Pratap Singh, the Chief Secretary Shri R.K. Tiwari, Infrastructure and Industrial Development Commissioner Shri Alok Tandon, Additional Chief Secretary Home and Information Shri Awanish Kumar Awasthi, Additional Chief Secretary Finance Shri Sanjeev Mittal, Additional Chief Secretary Revenue Mrs. Renuka Kumar, Director General of Police Shri H.C. Awasthi, Principal Secretary Health Shri Amit Mohan Prasad, Principal Secretary Medical Education Shri Rajneesh Dubey, Principal Secretary MSME Shri Navneet Sehgal, Principal Secretary Rural Development and Panchayati Raj Shri Manoj Kumar Singh, Principal Secretary Agriculture Shri Devesh Chaturvedi, Principal Secretary to Chief Minister Shri Sanjay Prasad, Secretary to Chief Minister Shri Alok Kumar, Director Information Shri Shishir and other senior officers.
