Uttar Pradesh Chief Minister Yogi Adityanath ji has said that the role of the medical team in the fight against Corona is crucial. The Health and Medical Education departments should work in tandem as a dedicated team to contain Covid infection.

Presiding over a high-level Unlock review meeting, he directed to maintain constant vigil in NCR districts. The CM said that a solid action plan is required to double the bed capacity in the hospitals in Meerut division. Asking the Chief Secretary and the Principal Secretary, Health to review health services in Meerut division, he said the additional medical employees can be deployed there if required.

The Chief Minister asked for the better sanitation and cleanliness in Non-Covid and Covid hospitals and expected all equipment in the hospitals should be in adequate number and functional. He said that the corona patients should be admitted to L-1, L-2 and L-3 Covid hospitals according to their condition. The
oxygen supply should also be adequate with proper back up. He directed to ensure that the doctors and the paramedics take regular rounds in the hospitals and monitor the condition of patients. He further directed the CMOs to inspect hospitals in their respective districts regularly.

In order to control the Covid-19 spread, the surveillance system is very important hence the surveillance committees should be kept activated in rural and urban areas, he said while directing to keep communicating with the members to get feedback of their work.

Stressing the need of creating awareness about the Covid-19 among the common people, the CM said that they should be made aware that hiding the symptoms of Corona may infect others and such persons should go to doctors immediately. He said that the public address system should be pressed into service to aware the people as it is extremely necessary to break the chain of Corona. He directed the police to continue the intensive patrolling to ensure that social distancing is maintained and no crowd gathering takes place anywhere. He also urged to make all arrangements to prevent infection in Police and PAC personnel.

He said that the safe storage of the wheat, purchased from the farmers, should be ensured and not to be kept in the open in view of rainy season. He directed to arrange green fodder for stray cattle in the cow-shelters while the safe storage of hay stock should be ensured in the fodder banks. The CM also directed to de-silt the drains before rains.
