Lucknow: 22 June, 2020

In a fresh directive, Uttar Pradesh Chief Minister Yogi Adityanath Ji has directed the DMs and the CMOs to prepare an action plan for extensive medical screening in the state. The screening should be conducted through surveys outside containment zones also. Increase the number of screening teams to more than one lakh and the persons found suspect in
medical screening should be duly sent to treatment, he said while presiding over a high-level Unlockdown review meeting at his official residence on Monday.

The Chief Minister said the teams, compulsorily equipped with pulse oximeter, infra-red thermometer and sanitiser, should conduct medical screening in rural and urban areas every week. Further directing to expedite setting up Covid help desks in the hospitals, the CM asked the Ministers to do inspection of help desks. Similarly, the Additional Chief Secretary (Home) and the Director General should also inspect the Covid help desks in various institutions/wings of the police department. He also directed to ramp up Covid testings to 25,000 per day and use of antigen testing may be considered as an alternative testing mechanism if required. He asked to ensure the capacity fo Covid hospitals should be raised to 1.5 lakh.

The Chief Minister instructed to post a special secretary level officer in each district to coordinate with the CMO to strengthen the health services including arrangements in the Covid and Non-Covid hospitals, ambulance and surveillance. He directed to get a joint report of the nodal officers sent to 11 districts. He also asked the Medical Education and Health Departments to constitute a team of good, experienced and senior officers to assist in improving the health services of the state. He said the medicines, food and breakfast etc should be distributed to patients on time and the lukewarm water should be arranged for them. The regular round of the doctors and nursing staff is necessary to monitor the condition of the patients.

The Chief Minister directed to prevent crowd gathering in the holding area of the hospitals and ensure no one stays there for more than 15 minutes. He said all precautions should be taken to prevent medical staff from being infected and the supply of PPE kits, N-95 masks,Gloves and sanitiser has to be ensured. He also pointed out that two meter social distancing should be maintained in the places like PAC battalions where the mass gathering takes place.

He said it is necessary to tell people to not panic due to Corona and propagate the measures being taken by the state government for its prevention and treatment. He directed to continue mass awareness programmes and place hoardings and posters depicting prevention messages at Primary and Secondary Health Centres, Police Stations, Tahsils, Collectorate, Ration shops and other places where people move in large numbers.
The Chief Minister reminded that the Atal Ground Water Scheme work has to take place under Jal Jeevan Mission and for this purpose, the work related to digging of ponds and check dams should be taken up through MNREGA during the rainy season. He also asked the animal husbandry department to take up immunisation of cattle to save them from various infectious diseases like "Khurpaka' and "Muhpaka'. He asserted that the state government is committed to control the road accidents and various steps are being taken for this. The knowledge and implementation of traffic rules can save accidents in a big way. In order to control the road accidents, the police and transport department should work out a joint drive to inform the people about rules, implementation and punitive actions in case of violation of traffic rules.

The Chief Minister made it clear that his government will never compromise on the law and order matters while there is zero tolerance on crime and corruption. He said the primary level action should immediately be launched on receiving a criminal complaint. The asked the police to do intensive patrolling and launch drive against illegal arms. He also directed to follow the norms related to banks security under all circumstances and review such issues at the meeting of state-level bankers committee. He further instructed to convene district monitoring committee meetings and speed up action under POCSO Act.
