Lucknow: 27 June, 2020

Uttar Pradesh Chief Minister Yogi Adityanath Ji has expressed satisfaction over ramping up the Covid-19 testing to 20,000 per day. He said that efforts should remain afoot to increase testings further as more and more sample testing will play an important role in breaking the chain of infection.

Presiding over a high-level Unlock review meeting at his official residence on Saturday, the CM directed to set up Covid help desk in all the Industrial Units which will help sensitising the employees working in the establishments. He said that the industrial, commercial and other business activities should be run with care in the Unlock arrangement. The covid help desks being setup in industrial units will help in protecting employees.

He also directed to compulsorily have medical screening facilities in all those industrial establishments where five or more persons are working. In addition to this, the social distancing has to be maintained while the preventive measures in the industrial units should be monitored regularly. He said that Covid help desks should be set up where people come in the large numbers. The Chief Minister was apprised of that the Covid Help Desks have been set up in all district hospitals, community health centres and primary health centres.
The Chief Minister reiterated to accord special attention to Meerut division and asked to conduct a special drive there from 01\textsuperscript{st} to 07\textsuperscript{th}, July 2020. Under this programme, medical screening of every household should be done at Gram Panchayat and Ward level. The medical screening team should be equipped with Infra-red thermometer and Pulse Oximeter. The Rapid Antigen test of the suspects should be done and infected ones to be admitted in Covid hospital. He also asked to expedite the surveillance works in order to break the chain of Covid-19 and make people aware about it.

He directed to conduct all the preventive activities in government and non-government institutions including mandis, markets etc of Meerut division. He also asked to take up on priority basis, the capacity enhancement in the Covid hospitals of all the districts in Meerut division. He directed to use public address system at crossings, markets and prominent places to make people aware about prevention from Covid. He also asked to maintain door step delivery system in the containment zones. He directed that the special cleanliness drive should be conducted in the entire division by the departments of Urban Development, Rural Development and Panchayati Raj.

The CM said that the role of pulse oximeter is very important to prevent Covid -19 deaths as it gives information about the oxygen level of the person. He said that the medical staff should also be sensitised about use of pulse oximeter. He asked to continue the publicity for protection from Covid -19. The Television, Radio, Newspapers and Public Address system can be used to aware the people. The banners and poster should also be pasted at different places. The Chief Minister also directed to continue, the sanitisation activities in urban and rural areas. He asked the veterinarians to expedite immunization of the animals to save them from various diseases.

Those present in the meeting included the Medical Education Minister Shri Suresh Khanna, Health Minister of State Shri Atul Garg, Chief Secretary Shri R.K. Tiwari, Agriculture Production Commissioner Shri Alok Sinha, Infrastructure and Industrial Development Commissioner Shri Alok Tandon, Additional Chief Secretary Home and Information Shri Awanish Kumar Awasthi, Additional Chief Secretary Finance Shri Sanjeev Mittal, Additional Chief Secretary Revenue Mrs. Renuka Kumar, Director General of Police Shri H.C.
