OFFICE OF THE DISTRICT MAGISTRATE, REWARI

Order

WHEREAS it has been made to appear to me that there are persons with ILI (Influenza Like Illnesses) in District Rewari and everyone is aware that the fight against Corona Virus depends on how expeditiously such persons are identified, tested, isolated and treated. Various orders and appeals have been issued/ made regarding self-declaration and reporting of ILI (influenza like illness) cases by various stakeholders. Hospitals and individuals have been directed to bring such ILI cases to the notice of nearest Medical Officer/ Civil Surgeon, Rewari, if they have any symptom like cough, cold, fever etc. In addition, the urban and rural local bodies’ representatives, Resident Welfare Associations and similar other bodies have been directed to report such type of case immediately. Similarly, the Health Department, under the overall superintendents and control of Civil Surgeon, Rewari, has also carried out door-to-door survey of to identify such persons.

WHEREAS it has been made to appear to me that a large number of persons with ILI (Influenza like illness), which are similar to symptoms of Corona Virus are visiting government hospitals, private hospitals, clinics for treatment and pharmacies to get medicines. These institutions are expected to screen such persons as per the guidelines of Ministry of Health and Family Welfare Government of India and standard operating procedures fixed at various levels. However, the information about these persons having influenza like illnesses is not being shared by these establishments and institutions with the Civil Surgeon, Rewari, which they are supposed to share in view of the Corona virus threat in district Rewari.

THEREFORE, it is expedient in public interest that all information regarding persons having ILI (influenza like illnesses) or symptoms of coronavirus infection should be shared by all health institutions, whether government or private, including but not limited to private hospitals, nursing homes, clinics, pharmacies, chemist shops et cetera with Civil Surgeon Rewari.

ACCORDINGLY, in exercise of the powers conferred upon me under the Disaster Management Act, 2005 and the Epidemic Act, 1897 and various other provisions of law, I, Yashendra Singh, IAS, District Magistrate Rewari - cum- Chairperson, District Disaster Management Authority, Rewari, do, hereby, order that all medical establishments, whether government or private, including but not limited to government hospitals, private hospitals, nursing homes, clinics, pharmacies, chemist shops et cetera shall report about each and every person who has ILI (influenza like illness) or symptoms of coronavirus to the Civil Surgeon, Rewari, and fill the Google spreadsheet link
https://tinyurl.com/yb5pvuov immediately as and when the case comes to their knowledge but not beyond the same calendar date on which it comes to their knowledge. This order shall also be applicable on pharmacies and chemist shops where persons having ILI or symptoms of Coronavirus have come to purchase medicines without any prescription from the registered medical practitioner. It is needless to mention here that the information of such person who has been prescribed medicine shall be given by the registered medical practitioner prescribing such medicine.

IT IS MADE clear that if any person found positive later on, discloses that he/she has visited some hospital, whether government or private, including but not limited to private hospital, nursing home, clinic, pharmacy or chemist shop and the medical establishment had failed to report it to the competent authority, action under Disaster Management Act, 2005, Epidemic Act, 1897 and various provisions of Indian Penal Code would be taken against the person making this default and against the in charge of the medical establishment. This order is issued under Disaster Management Act, 2005 and Epidemic Act, 1897 and powers delegated to me by District Disaster Management Committee.

Yashendra Singh, IAS
District Magistrate
