2. Total No. of Seats: 5

3. Selection Process

- i. Proposals received by NIDM in prescribed format will be **shortlisted and selected** on merit basis only considering the good academic record, novelty of the proposal, the **usefulness of outputs to NIDM, Government, and relevance for States and Districts, as well as the larger public interest**. Shortlisted candidates may also be invited for a presentation for final selection.
- ii. The fellow shall cooperate with NIDM for any changes or suggestions in proposal (if required).
- iii. **NIDM reserves the right to scrutinize or reject** any or all the proposals received in response or suggest modifications to the proposal.

4. Nature of Assistance Available Under the Scheme: -

- i. The NIDM doctoral fellowship is as per the UGC Junior Research Fellowship (JRF) & Senior Research Fellowship (SRF) norms only.
- ii. **Successful completion of the coursework and submission of the result is mandatory for receiving the stipend. Inability to submit proof of the approval of synopsis/proposal may result in termination of the fellowship.**
- iii. **Fellows awaiting approval of synopsis/proposal should submit the same within 6 months of selection in the NIDM Doctoral Fellowship programme. Inability to submit proof of the approval of synopsis/proposal may result in termination of the fellowship.**
- iv. The stipend will be started from the **date of the result of coursework** for a maximum period of **5 years** or until the submission of the completed thesis to the NIDM, whichever is earlier. There is **no** provision for further **extension**.
- v. **In case completion of the thesis is within 4 years or earlier, the fellow will be eligible for receiving the stipend from the date of Ph.D. registration including the period of coursework.**
- vi. **Timely submission of the thesis to NIDM will be the responsibility of the Fellow and the parent institution, failing which the fellow will be liable to legal action.**

- vii. The JRF is initially for two years (after coursework completion and synopsis/proposal approval).
- viii. Upon the expiry of JRF period, the work of the fellow will be **evaluated by NIDM** as per the progress report & recommendation of parent institute duly forwarded by supervisor/institution. The Fellow may be invited to NIDM for **presentation of progress of the work for the upgradation under the scheme of SRF**. If the research work is found satisfactory and eligible for a further grant, his/her tenure may be extended for a further period of **three (03) years** under the enhanced emoluments of the **SRF** or till the submission of the thesis, whichever is earlier.
- ix. In case the work for the first two years is not found satisfactory, an additional year will be given to the scholar for improvement while retaining the designation of JRF. In such cases, research work will be **evaluated again in third year**, and if improvement is found, the fellow will get two more years under the SRF or till the submission of the Ph.D., whichever is earlier.
- x. NIDM will **annually evaluate Ph.D. work** based on annual progress report (**Annexure-VI**) forwarded by the supervisor/guide from the parent university/institution. **Unsatisfactory progress** may result in **termination of the fellowship** at any point during the fellowship period.
- xi. As per the requirement for the completion of research, the fellow may join NIDM or may complete their research work in the parent institute.
- xii. **NIDM will assign one co-supervisor from NIDM for the guidance of the Ph.D. work & monitoring of work subject to the approval of competent authority of NIDM.**
- xiii. The fellow has to publish **two national/international papers** in UGC-CARE listed journals and/or journals with a high impact factor, with the due **acknowledgement of the NIDM Doctoral Fellowship** during the tenure before the final submission of the thesis.
- xiv. **NIDM may engage the services of the fellow for taking the sessions & any other academic support, subject to the approval of Executive Director, NIDM.** Reimbursement of TA/DA, wherever applicable, will be as per NIDM norms.
- xv. **Departmental Assistance will not be provided to the concerned Universities/Institutions/Colleges.**

DETAILED GUIDELINES

Research Project/Study on Disaster Management: Innovation & Action **Research for F.Y. 2026-27**

The following are the research area & case studies for submission of research proposals:

Disaster Insurance and Risk Financing	i. Institutional and financial determinants of disaster preparedness. ii. Pricing of disaster risk in existing taxation structure of local bodies iii. Financial strategies for disaster Mitigation, Recover & Reconstruction initiatives by the States, UTs & Local bodies.
Landslides	i. Effects of land-use change on slope stability in mountainous terrain. ii. Predictive modelling of cloudburst–landslide–subsidence interactions in Himalayan regions. iii. Indigenous vegetation and bioengineering methods for slope stabilization and ecological restoration.
Earthquakes	i. Site response survey/site characterization study of NCR districts for seismic risk reduction. ii. Earthquake risk and vulnerability assessment to support resilient infrastructure planning. iii. Development and optimization of earthquake monitoring systems, model centre, and characterization of seismogenic faults.
Floods & Riverine Hazards	i. Financial viability of monetising desilting of rivers / dams & reservoirs. ii. Hydrological and hydraulic implications of channel/drainage clogging by silt, vegetation, plastic and solid waste. iii. Development of last-mile early warning as a service model for micro-level flood forecasting.
Cyclones, Coastal Hazards & Marine Ecosystems	i. Disaster resilience pathways for fishing and tourism-dependent coastal communities. ii. Strategies for financing coastal erosion prevention infrastructure.
Forest Fires	Early Warning as service model: Remote sensing, UAVs/drones, GIS, and AI-based early warning and response models for forest fires, including jhum-affected landscapes.
Hazards- Society	i. Pilgrimage-related DRR: carrying capacity based hazard-sensitive planning and sustainable pilgrimage models. ii. Gaps in existing Mental Health and Psychosocial Support (MHPSS) systems in disasters and pathways for reform. iii. Gaps in Early Warning Systems (EWS) for flood. iv. Mitigation strategies for disasters. v. (Chemical, Biological, radiological and Nuclear) CBRN Hazard.

Eligibility

- i. Scientists/ Engineers/Faculty members holding a permanent position or eight years of experience in the case of contractual/ad-hoc employees in R&D Institutions, ATIs of State government, and recognized Academic Universities/ Institutions can submit the proposal as Principal Investigator (PI) for Research Projects.
- ii. Co-principal Investigator(s) (minimum three years experience) may be from the same/ different Institution. However, satisfactory completion of the project (if approved) will be the responsibility of the PI and her/his Institution/Organization.
- iii. The PI and Co-PI(s) should be domain experts in the area in which the proposal is submitted. The evidence of publications, patents/copyrights, and projects carried out is required to be produced.
- iv. **NIDM may depute one of the faculty members as Co-Principal Investigator (Co-PI) for the research project/study, who will monitor the project/study as per expertise.**
- v. **In case of universities/institutions, parent organization of the PI must be a member of the India Universities and Institutions Network for Disaster Risk Reduction (IUIINDRR-NIDM).(Link to list of members: <https://iuin-drr.nidm.gov.in/MemberList>). Prior to the completion of the project, the PI's parent organization must obtain membership of IUIINDRR-NIDM.**

Total seats: 5

Duration of project/study: 1-2 years

Selection Procedure and Criteria

Proposals received by NIDM in prescribed format will be scrutinized and shortlisted based on the novelty of the proposal, the usefulness and relevance to NIDM, Government, relevance for States and Districts, and the larger public interest. Shortlisted proposals may be invited for a presentation before the NIDM Academic Research Council for final selection. The Principal Investigator and Co-Principal Investigators shall cooperate with the Academic Research Council (ARC) constituted by NIDM, for the revision of their research proposal (if required).

Financial Support

- i. Financial support up to an amount of INR 8 Lakh shall be provided by NIDM.
- ii. Payment will be credited to the account of the parent institution of the Principal Investigator as per details provided in application format.
- iii. A separate non-interest account in joint ownership of PI and parent institution must be created as per timeline specified by NIDM for transfer of research grant installments.

S.No.	NIDM Grant	Deliverables
1.	25%	Submission of inception report (Annexure –IV) by PI & Co-PI
2.	37.5%	Submission of Progress report (Annexure-III)
3.	37.5%	Submission of final project/study/research

It is envisaged that the existing equipment and computing resources (hardware, software) in the Parent Organization of the Principal Investigator and Co-Principal Investigator(s) will be used and the proposed budget estimate covers the direct costs only such as manpower cost (supporting staff), data cost, field visit, etc.

- iv. The amount allocated under the head travel/field work is to be utilized for the data collection and collection of other information such as documents, visits to libraries, etc., within the general scope and sphere of the ongoing project. This should not be used for attending conferences, seminars, workshops, training courses, etc. The PI may travel by the mode of transport as per his/her entitlement in the Organization/ Institution restricted to the allocation under the concerned head.
- v. The Principal Investigator/Institution is required to settle the project account immediately on completion of the project/study. In case the balance grant, if any, is not claimed within six months from the date of completion of the project/study, the same will lapse and no representation will be entertained in this behalf.

Other Terms and Conditions

- i. NIDM reserves the right to scrutinize or reject any or all the proposals received in response or suggest modifications to the proposal.
- ii. **NIDM reserves the right to choose any project/study proposal received, depending upon need, the novelty of intended applications, innovative science, suitability, deliverables, and merits. The decision of NIDM shall be treated as final.**
- iii. Any/all Intellectual Property Rights (IPR) such as patents, copyrights, design rights, etc., acquired by the grantee institute/organization of the PI, shall be jointly owned by NIDM and any other associated ministries/institutions.
- iv. NIDM reserves the right to revoke in part or in whole its support for a project/study at any time without assigning any reason.
- v. It shall be declared and ensured by the PI of the selected project/study proposal that any/all analysis conducted as part of this project/study shall not use any pirated/unlicensed copy of the analysis software used.

- vi. Scientific results obtained as part of the project/study proposal by PI and Co-Investigators, shall not be allowed to be used for marketing/commercial/business purposes without the prior permission of NIDM. NIDM reserves the right to accord permission on such cases, considering the overall national interests.
- vii. Both parties will ensure appropriate protection consistent with the laws, rules, and regulations of India. Any disputes will be subject to the jurisdiction of Delhi only.
- viii. The Proposal shall give a declaration that if the proposal is selected for funding by NIDM, PI, and Co-PI shall not submit the same proposal for funding support from other agencies. However, collaboration with other ministries or government institutions is permitted and needs to be mentioned at the time of submission of proposal.
- ix. Acknowledgment of NIDM support/funding must be made in all reports including publications arising out of the project/study. Copies of all publications resulting from these research projects/studies must be submitted to NIDM.
- x. One soft copy and hard copy of the report/study/innovation/scientific tool will have to be submitted to NIDM after completion of the project/study.
- xi. **Two Research papers have to be published by PI & Co-PI(s) before submission of the final report in a National or International journal having a high impact factor and/or are UGC-CARE listed, with the acknowledgment of NIDM.** This requirement may be relaxed in cases where the project involves innovation or the creation of novel/scientific contributions.
- xii. **Satisfactory completion of the project/study will be the responsibility of the PI and his/her parent institution/organization. An extension of 6 months may be granted for completion of project without further financial assistance/support from NIDM subject to approval of Competent Authority of NIDM.**
- xiii. The approved fund must be utilized solely for the purpose for which it has been granted unless NIDM agrees otherwise. A Utilization certificate that the funds have been used for the purpose which it was granted must be produced by the grantee Institution with each progress report & at the completion of the project.
- xiv. NIDM may depute scientists/ experts to visit the grantee institution periodically, for reviewing the progress of work.
- xv. NIDM may engage the services of the PI/Co-PI(s) for taking sessions & development of module subject to the approval of Executive Director, NIDM. TA/DA shall be payable as per NIDM norms.
- xvi. **Any changes in the terms and conditions of the sanctioned project must be made after the approval of NIDM.**

Special note:

- i. The Research proposal and final report should be in English.
- ii. **Any person engaged in the research project/study shall not be treated as a employee of the NIDM in any manner. The responsibility of engaging any person under the research project will be of PI & his/her institution only.**
- iii. There should not be any duplication/overlapping with the evaluation studies carried out by any Government Agency or any Institution/ Organization/NGO.
- iv. The Institution or the Principal Investigator or their research staff associated with the project/study shall not share the data collected for the assigned research study with any other person/organization without the prior approval of the NIDM. The research study shall not be

used by the Principal Investigator or his Research Associates or anybody else for the preparation of any doctoral thesis/ dissertation or for attainment of any other degree/diploma or publication(s) without the prior approval of the NIDM.

- v. The Institution or the PI shall make suitable arrangements for the safe custody of raw data and other documents related to the study for a period of five years after completion of the research project/study. NIDM may ask for perusal/review of raw or processed data at any time.

NIDM Best Ph.D. Thesis Ranking in Disaster Studies (DRR)
Theme: Earthquake- Mitigation, Preparedness, Response, and Recovery

1. Objective

The primary goal of the Best Ph.D. Thesis Ranking in Disaster Studies is to encourage and promote impactful research in the field of Disaster Risk Reduction (DRR) within India. By recognizing outstanding research efforts, the National Institute of Disaster Management (NIDM), under the Ministry of Home Affairs (MHA), Government of India, seeks to advance the knowledge base and implementation practices in DRR, fostering innovation and scalability in research that supports both government and non-government DRR stakeholders.

2. Thematic Focus

The theme for F.Y. 2026-27 is **Earthquake- Mitigation, Preparedness, Response, and Recovery**, for Commemoration of 25 years of the Bhuj Earthquake (Gujarat) of 2001, aligning with the growing importance of mitigating risks in these domains within DRR frameworks.

3. Award Details

This award is presented annually and includes the following recognitions:

- **Framed Certificates** for the top-ranked theses (1st, 2nd, and 3rd).
- **National-Level Recognition.**
- **Publication Opportunity** for the 1st ranked thesis in 'Book' format by NIDM, providing a significant platform for disseminating key findings.

4. Special Conditions for the 1st Ranked Thesis

- **Book Authorship:** If mutually agreed upon, NIDM faculty or state officials may collaborate as co-authors in the publication of the first-ranked thesis, subject to approval by the Competent Authority and the Scholar's written consent.
- **Authorship Rights:** Authorship will remain with the Scholar and Guide, based on mutual consent.
- **Scalability:** The outcomes of the thesis may be considered for policy advocacy and addressing disaster-related concerns at the state and district levels.

5. Eligibility Criteria

Nominees must meet the following eligibility conditions:

- **PhD Status:** Nominees should have completed their PhD (submitted their thesis) within the last two years from the start date of the call for nominations.
- **Research Publications:** At least two research papers related to the thesis topic, published in high-impact National or International journals.
- **Nomination Submission:** Nominations must be formally submitted with a signed endorsement by the Nominee's Supervisor or the Head of their

institution/university.

7. Nomination Proposal Requirements (List of required documents)

Each nomination proposal should include:

- **Nomination Form** (max. 2 pages): A concise statement by the Nominator (Nominee's Supervisor or HoD/Head of institution), detailing the Nominee's theoretical and practical contributions **(as per format in Annexure)**.
- **Curriculum Vitae** (max. 2 pages): A summary of the Nominee's academic and research achievements.
- **Synopsis of the Dissertation** (max. 3 pages): Including the research objectives and key outcomes.
- **Completion Confirmation**: Official documentation confirming the dissertation's completion date.
- **Recommendation Letter**: Official letter from the Head/Dean/Vice-Chancellor of the institution, university, or department.

8. Selection Process

The Theses will be evaluated based on:

- **Scientific Quality**: Scientific rigor, technical quality, and potential for the research findings to be applied or scaled by DRR/DRM stakeholders.
- **Originality and Clarity**: Original contributions to DRR knowledge and clarity of thesis.
- **Compliance**: Adherence to UGC guidelines and standards.
- **Presentation**: Shortlisted candidates may be called for presentation before the expert committee.

Note: The members of IUINDRR-NIDM will be given priority (list of members is available at: <https://iuin-drr.nidm.gov.in/MemberList>), and self-nominations will not be considered.

9. Submission Timeline and Additional Notes

- **Submission Period**: 15 July to 31 August 2026.
- **How to Submit**: One soft copy (as a single PDF document) of the required documents in the requisite format should be sent by email to researchiuin.nidm@nidm.gov.in and one hard copy by post (Speed/Registered post) to the following address:

Executive Director,
National Institute of Disaster Management,
(Ministry of Home Affairs, Government of India),
Plot no. 15, Pocket-3, Block-B,
Sector-29, Rohini, Delhi -110042

Special notes:

1. Copy of PhD thesis is not required to be shared at the time of application.
2. The final decision for the Best Thesis Ranking rests with the NIDM, whose decision will be final and binding.

10. Terms and Condition for Publication

The following terms and conditions govern the Award and the publication process:

- i. The published book shall be the property of NIDM.
- ii. The awardee shall be the sole author of the publication or as per mutual consent of awardee and NIDM.
- iii. For publication in book form, NIDM may engage an external reviewer/subject expert, and publication shall be subject to the reviewer's approval and incorporation of comments.
- iv. The undersigned agrees to convert the doctoral thesis into book form in accordance with the standard format prescribed by NIDM.
- v. The book shall be developed in a practitioner-oriented format suitable for use by States/UTs/Districts and other disaster management stakeholders for disaster risk reduction (DRR).
- vi. The zero draft shall be submitted within the 6 months of the date of acceptance letter for further review by NIDM expert.
