

EARTHQUAKE

BE PREPARED • TAKE PRECAUTIONS • STAY SAFE

Tips to remember during an earthquake

At School or Office

Stay away from bookshelves and windows, and hide under the table.

In an Elevator

Press the buttons for all floors and step out of the elevator as soon as the door opens.

At Mall or Store

Follow the instructions of the staff.

On a Bus or Train

Follow the instructions of the staff, and refrain from rushing out of the door.

While driving

Pull over to the side of the road, stop the engine and leave the vehicle without pulling the key out of the ignition.

Near a Building

Stay away from the building or anything that may collapse or fall down.

Near the Sea

Run away from the sea to higher ground to avoid tsunamis.

Near a Mountain

Evacuate to a safe place as a mountain or a cliff may collapse.
