

WEBINAR REPORT

Prime Minister's 10 Point Agenda No. 9 on DRR

Webinar on

Reopening of Schools Safely amidst Covid-19

01st October 2020

03:00 PM – 05:00 PM

PATRON

Maj. Gen. Manoj K. Bindal
Executive Director
NIDM, New Delhi

GUIDANCE

Prof. Santosh Kumar
Professor and Head,
CCDRR, NIDM

SPEAKERS

Mr. Banku Bihari Sarkar
Programme Officer,
UNICEF

TEAM LEADER

Dr. Kumar Raka
Programme Officer,
CCDRR, NIDM

COORDINATOR

Dr. Savita Mishra
Principal,
Vidyasagar College of Education

Dr. Balu I.
CCDRR Centre,
NIDM

Organized by :

Child Centric Disaster Risk Reduction (CCDRR) Centre
National Institute of Disaster Management (NIDM)
Ministry of Home Affairs, Govt. of India

1.NAME OF THE PROGRAMME: Reopening of Schools safely amidst covid-19

2. BACKGROUND

Reopening of schools is becoming a hot button issue with states like Andhra Pradesh, Goa and Assam mulling over opening schools by as early as September, even as most parents, across states, have rejected reopening without a vaccine being available. At the core of the debate is the fact that steps to address the loss of school-hours—such as online/on-air teaching—won't reach a large section of the student body.

So, as the states and the Centre mull over reopening of schools vis-a-vis the losses to learning and development of children, they will need to strike a careful balance. A tailored approach, mapped against high-incidence districts, will likely be a better idea than a one-size-fits-all move. A hybrid of online/on-air and classroom teaching with strict enforcing of preventive measures could be thought of, at least till the time the pandemic can be fought off with pharmacological interventions.

This webinar is intended to discuss the challenges and opportunities to re-open the schools amidst Covid-19.

3.OBJECTIVES

- To discuss and document the various issues involved in reopening of school.
- To analyse the needs and importance of re-opening of schools
- Role of stakeholders in ensuring the reopening of schools.
- Issues involved in Reopening of schools for primary, middle and higher secondary.
- Recommendations for reopening the schools.

4.DATE AND TIME : 1.10.2020, 3.00-5.00 PM

5.BROCHURE AND BANNER : Attached

6. LIST OF PANELLIST :

Mr.Banku Bihari Sarkar, Programme Officer, UNICEF

Dr. Savita Mishra, Principal, Vidyasagar College of Education

7. NO.OF PARTICIPANTS : 408

8.KEY TAKEAWAYS

- Design and implement effective response plans to reopen schools.
- Response plans for the reopening of schools must be designed according to contextually appropriate protocols and checklists based on local conditions.
- Planning must consider the context of the school, including the level of education – pre-primary, elementary, secondary, and higher secondary; the location of the school – urban or rural area; and other factors. Concerns of students, teachers and parents need to be considered,
- Based on an assessment of their context, decision makers at the state/UT level need to make choices and prioritize actions to reopen schools, ensuring they are safe for students and teachers and meet the learning and wellbeing needs of each girl and boy.
- Disruptions to instructional time and student-teacher interaction in the classroom can have a severe impact on a child's ability to learn and on their overall retention in school
- The longer vulnerable children are out of school, the less likely they are to return, particularly those who were already attending school irregularly
- Learning online/ through other channels has limited reach especially amongst the most vulnerable
- Prolonged closures will also continue to disrupt essential school-based services
- Being out of school increases the risk of teenage pregnancy, sexual and gender-based violence, forced migration, human trafficking, child marriage, child labour and other threats
- It can also cause stress and anxiety due to the loss of peer interaction, absence of support from teachers/school counsellors and disrupted academic routines
- Having to look after children at home due to school closures may also impact on parents' livelihood options including MNREGS, particularly poorest communities, in turn negatively impacting on children and their wellbeing
- Negative impacts will be significantly higher for vulnerable children, such as children from ST, SC, minority communities, children with disabilities, children

with limited or no access to digital media, and children living in urban slums and hard-to-reach areas

- Reopening schools is critical, particularly for the most vulnerable children
- School reopening must be safe and consistent with overall COVID-19 health response
- State specific measures and conditions,
- All reasonable measures taken to protect students, staff, teachers and their families.
- Overall public health considerations,
- Assessment of the associated benefits and risks
- Gather critical information on how schools, teachers, students and communities are coping with closures and the pandemic
- Where possible, the decision-making process should be devolved to the local authorities, so that the reopening of schools is based on each local context and is responsive to the evolving situation and needs on the ground
- Covid 19 pandemic has caused unparalleled disruption to education globally
- More than 1.57 billion students affected by school closures
- 463 million students are unable to benefit from remote learning
- School closures have impacted the education of 286 million students from pre-primary to secondary education
- More than 6 million girls and boys who were already out of school prior to the COVID-19 crisis (SRI-IMRB, 2014)
- Child's right to education as set out in UNCRC – compromised

9.PROGRAMME SCHEDULE

Time	Session	Speaker/Experts
11.00-11.10	Welcome address	Dr. Balu ICCDRR,NIDM
11.10-11.20	Opening Remarks	Prof.Santoshkumar Prof& Head, CGIDRR, NIDM
11.20-11.30	Keynote Address	Dr.Kumar Raka CCDRR,NIDM

11.30-12.10	Reopening the schools: Role of management	Mr.Banku Bihari Sarkar, Programme Officer, UNICEF
12.10-12.50	Role of parents and students	Dr. Savita Mishra, Principal, Vidyasagar College of Education
12.50.-1.00	Concluding remarks	Dr.Balu I NIDM

10.LIST OF PARTICIPANTS
