

Report of Webinar on Disaster Management Plan (DMP)

ABOUT NIDM

National Institute of Disaster Management (NIDM), Ministry of Home Affairs, Government of India, is a premium institute and a Statutory Body (under Disaster Management Act 2005) for training, research, documentation, awareness and human resources and capacity development in the field of disaster mitigation and management. The institute lays emphasis on multi-stakeholder interdisciplinary cross-sectoral approach for an efficient proactive continuum disaster risk management based on participatory integrated multi-risk management concept. It aims towards a disaster resilient India.

ABOUT PANJAB UNIVERSITY CHANDIGARH

One of the oldest Universities in India, the Panjab University (PU) has a long tradition of pursuing excellence in teaching and research in science and technology, humanities, social sciences, performing arts and sports. The University supports excellence and innovation in academic programmes, promotes excellence in research, scholarship and teaching. By virtue of its history, experience, achievements and philosophy, the Panjab University has a national character and it enjoys an international stature drawing both faculty and students from all over the country and different parts of the globe.

CONTEXT OF THE WEBINAR

Frequency of disaster is on rise and India due to its climatic and geographical location is prone to almost every type of hazard, be it natural or manmade. Disasters call for association of many stakeholders such as Revenue, Health, Police, Home Guards and Fire Services to name a few. The Government of India has enacted the Disaster Management Act in 2005 which *inter alia* mandates every entity, be it Ministry, Department, Organization, Agency, Office, etc., to prepare the Disaster Management Plan (DMP) including Disaster Response Plan.

In order to facilitate preparation of such plans a Webinar on “*Disaster Management Plan*” was conducted by NIDM jointly with Department of Geography, Panjab University, Chandigarh on June 28, 2021. Programme was attended by 310 participants comprising of faculty, research Scholars, students and other staff of Panjab University besides few participants from outside the University. The webinar was moderated by Shri Arun Verma.

PROGRAMME OBJECTIVES

1. To sensitize by providing information on concepts of disaster management and on disaster risk in India and its implication on sustainable development.
2. To appraise on Policies, Planning and Institutional framework for DRR in India.
3. To sensitize the participants on ingredients of DM Plan.

Programme Details:

Shri Arun Verma, Young Professional started the webinar by welcoming the patrons, speakers & participants. During the inaugural session, Dr. Vishwa Bandhu from Department of Geography, Panjab University welcomed the participants, patrons and the panelists from the side of the University. Then Shri Shekher Chaturvedi, Assistant Professor, NIDM while conveying the best wishes from the side of ED NIDM, briefed the participants about NIDM and its functions as mandated by the Disaster Management Act 2005. He also apprised the participants about the flow of the programme. Dr. Gaurav Kalotra, Chairperson Department of Geography, Panjab University thanked ED NIDM and experts for making the programme happen. He also apprised about various achievements made by the department in the field of disaster management. The inaugural session ended with Prof. Raj Kumar, hon'ble Vice Chancellor of Panjab University delivering the inaugural address. He also thanked NIDM and specially ED NIDM for collaborating with Panjab University to conduct such an important webinar. He also said that each department of the University must take up the process of preparation of their own DM plan in order to facilitate effective response and undertake preparedness measures.

Subsequent to the inaugural session, Shri Verma informed the participants about things to follow during COVID 19 for individual's safety. He then took a session on basic concepts of disaster management and India's vulnerability. During his session, Shri Verma highlighted the concepts of disaster, and its management. He then detailed out the vulnerability of India pertaining to major natural disasters.

Then the 2nd speaker Shri Vikram Gurjar, explained his topic i.e., Institutional Mechanism: Disaster Management. He started his discussion with the genesis of disaster in India such as Yokohama Conference, International Decade for Natural Disaster Reduction (IDNDR), various conventions where India is signatory such as Hyogo Framework for Action, COP21 and Sendai Framework for Disaster Risk Reduction. He then apprised the participants about salient features of DM Act 2005 and various initiatives taken by Government of India for Disaster Risk Reduction.

The 3rd speaker Shri Shekher Chaturvedi, explained the topic DDMP under Disaster Management Act 2005 & DM Policy 2009 & Disaster Management Plan during his session. He said that under the DM Act 2005, an authority of disaster management has been constituted at the district level which has the responsibility of making a

district plan and also helping other entities for making the DM Plans. He discussed tools for preparation of DM Plan and also Chapterization or contents of a DM Plan. He informed the participants that while analyzing the hazards and vulnerability of the area under consideration, one must visit the place to have clear picture of the area and also must ensure clear cut roles and responsibilities of every stakeholder during every phase of disaster management.

The speakers also allowed the participants to raise questions & queries after the sessions were over and tried to satisfy their doubts.

During the valedictory session, Dr. Gaurav Kalotra thanked the speakers for their valuable sessions and patrons of the programme Hon'ble VC Panjab University and ED NIDM for their guidance and directions for smooth conduct of the webinar. He also thanked participants for patiently listening to the speakers and raising relevant questions. He said that this webinar has helped students understand the importance of disaster management, DM plan and knowledge about how they can contribute for its management in future. The webinar ended with vote of thanks being proposed by Shri Arun Verma, NIDM.

Key Takeaways

The key takeaways from the programme are:

1. Universities must come forward to undertake research study for analyzing the hazard, vulnerability and capacity of their surrounding areas.
2. Universities must engage themselves in creating awareness about disasters in their vicinity.
3. They must take initiative to have their own DM plan department wise and other entities such as hostel, administrative building etc.
4. Universities must also earmark certain amount of funds for disaster preparedness and mitigation activities.
5. Universities must also have close linkages with district authorities and other stakeholders involved in management of disasters.
