

## **Orientation Training Programme on Child Centric Disaster Risk Reduction on 27- 28 August, 2019 at YASHADA, Pune, Maharashtra**

National Institute of Disaster Management, South Campus conducted its 3<sup>rd</sup> 'Orientation Training Programme on Child Centric Disaster Risk Reduction' in collaboration with YASHADA on 27- 28 August, 2019 at YASHADA, Pune, Maharashtra. The training programme is supported by UNICEF. Aim of the Training Programme is to orient the concept of Child Centric Disaster Risk Reduction amongst the officials of Department of Health, Education, Revenue, Panchyat Raj & Rural Development, Women & Child Welfare and Disaster Management Department of Government of Maharashtra. Col. V.N. Supanekar, Director, Centre for Disaster Management, YASHADA delivered welcome address and Dr. Kumar Raka, Program Officer, CCDRR, NIDM South Campus delivered the inaugural address.

From five sectors, 57 participants attended this training programme. About 74% participants were male and 26% were female participants. All the participants were from relevant sectoral departments who are directly involved in child welfare and protection, education and Woman & Child Welfare, Health sector and Revenue department.
